Subject: Michigan Drop Off Location

Hello Michelle,

You were right. Our moving experience with Rhino Moving Inc went smoothly!

Thanks to George and your packers.

They couldn't have been more helpful, professional and, most importantly, accommodating to our time schedule and condo restrictions regarding the elevator usage.

I just spoke with George regarding the location of our storage unit here in Michigan.

He suggested I pass this info on to you as he was on the road today.

Mini-Storage

2477 West Maple Road

Troy, MI 48084

(248) 435-2207 Madeline, Mgr.

(800) 646-4786

The storage unit will be under the name of Josephson/Fishman

I have also informed Judy Singer, Mr. Fishman's sister in California, to do the same.

Hopefully, she will be contacting you soon as

George indicated that the shipments were already in route.

Again, thank you all for this amazing experience. I can't believe I got this lucky over the Internet!

Bonnie
